

HUBBARD HAPPENINGS

Perry & Nancy Hubbard
November 2011

Home Ministries

Since coming home the end of June, we have traveled to 22 states, clocked 20,000 miles on the car, and visited 22 churches. Some of the highlights have been: dressing up for a children's fall party, hanging out with teenagers, worshipping with a Hispanic and a Burmese congregation, and reminiscing with former work team members to Panama. It has been great reconnecting with friends and acquaintances – and making new ones!

Support wise: we are at 81%; lacking \$16,400. Thanks to so many of you for faithfully supporting our ministry. If you'd like to join our team, go to: <http://www.wesleyan.org/gp/donate>. Follow the directions on the page—simply go to our name to make a commitment. If you have any questions you can call the number listed at the bottom of the page.

Jibacam

Perry joined representatives from several Latin American nations, the United States, and South Africa for the 10th International Missions Conference of Jibacam. The theme for the conference was Extreme Mis-

sions: the goal being to live a life committed to God's mission of carrying the gospel to all of the world, no matter what the cost.

The seminars focused on helping people carry out this missions. Perry's topic was Extreme Training; looking at what it will take to prepare the church and individuals so that the churches of Iberoamerica will be able to send missionaries to other countries in the next four years.

letters.

FAMILY

It has been great to be together with family on different occasions. Nancy's family celebrated Christmas in July – complete with the Christmas story, Christmas tree, gifts and ... fireworks! John and Val have moved to Akron, Iowa where John is teaching Industrial Arts. Jessica will finish her graduate studies in December and will be working temporarily in the office at Vanderbilt University. Jeff was married to Heather Wilson on August 27 in South Carolina. The wedding was beautiful.

CURRENT EVENTS

Health News

Nancy's recent scan showed a suspicious spot on her liver. An MRI and biopsy were done. The results showed normal liver tissue. We are extremely grateful for the good report and for so many of you who prayed and sent words of encouragement.

House

We have bought a home in Blaine, Minnesota. Perry's mom and stepdad have moved back to Minnesota and will live with us until we return to Panama. After that, they will occupy the house and keep the coffee pot on. This has been an unexpected blessing and we are excited to be homeowners again.

Prayer Notes

Praise God with us for good health reports and safe travels.

Praise God with us for our home.

Pray for our January trip to Panama where we will be assisting at the International Conference of the Wesleyan Church.

Pray for all of the details, the conference business, and the united worship at the International Conference.

Pray for the balance of our funds to be committed.
